**FREE LIBRARY SERVICE
FOR THE HOMEBOUND
Library Friends of Payson, Inc.**

Do you know someone who is ill, disabled, or who is a caretaker and is unable to get to the library, but who enjoys reading?

Volunteers from **The Library Friends of Payson** will deliver reading materials to anyone that would like to receive this service.

The **Friends** believe this service can help enrich the life of homebound individuals.

Residents of Payson and the surrounding area can qualify for the Shut-In Services.

If you are interested, or if you know someone who would benefit from this free service, please fill out the accompanying application and mail it to us.

A **Homebound Service** volunteer will contact you and help you fill out an application for a Payson Public Library card, if needed. You will be asked a few questions about your reading preferences, and any special services you may need that will enhance your reading experience.

Your volunteer will deliver books on a regular basis. When you are interviewed, a delivery time will be established that is convenient for both you and your volunteer. Books are checked out of the Library for 3 weeks and are renewable if necessary. Videos are checked out for 1 week and may not be renewed.

This is not only a great way to make use of the Public Library, but it's also a chance to make a new friend! And, it's absolutely **FREE!**

You can discontinue the service at any time, modify your reading preferences, or change the frequency of your volunteer's visit.
