

LFOP Bookstore News

Volume 16, Issue 3

Mar. 1, 2019

March Specials

All gardening, and self-help books are buy one, get one. Per usual, the second item must be of equal or lesser value than the first.

January Results

The Bookstore's sales total for January was \$1036.39. This was 4.5% better than last January. The Internet Sales group's January profit was \$494. A hardcover 3-volume set of Saul Bellow novels sold for \$120. The combined groups brought in \$1530.39, a good start to the year!

Notes from Dianna....

This month, I would like to recognize Dolores Goughnour for all her hard work on both the Bookstore newsletter and the LFOP newsletter. She does such a good job on both. I realized from interviewing volunteers that most of you don't know her, but she has been putting the newsletter together since I came on board as manager. Trust me, it looks much more professional with her doing it. She is on the LFOP board, makes signs when needed and is helping with our upcoming fundraiser. Soon, I'm going to get her to give me her biography so we all know about this behind-the-scenes lady.

See you at *The Taste of Rim Country!*

Judy's Jottings....

You are a great group of volunteers! You do an awesome job and to show our appreciation, we are planning a Volunteer Appreciation Event during volunteer week. Please mark your calendars for **Friday, April 12, 2019, 4 to 6 pm** and plan to attend. Watch the mail for your invitation. We have a new volunteer and he worked his first shift on Monday, February 4th. Please welcome Jerry Wala to our group. Jerry spends his winters in Arizona and summers in Iowa. He will be a substitute for the remainder of this winter and when he returns in the fall, we will find a permanent spot for him. If you need a substitute between now and the end of May, please give Jerry a call. I hope everyone has had a chance to read the notes in the folder on the desk. If you have any questions don't hesitate to give me a call. Thanks for all you do and I hope to see all of you at the Volunteer Appreciation Event....and at *The Taste of Rim Country!*

Meet Diane Keiser

Each month, we randomly select and feature one of our valued Bookstore volunteers. This month, please meet **Diane Keiser**. Diane finds people in Payson to be friendly and helpful, and immediately felt at home here. Diane Keiser was born in St. Cloud, MN and graduated from St. Cloud Tech High School. She obtained her Licensed Practical Nurse certificate from St. Cloud Community College, then worked at Abbott Hospital in Minneapolis in ICU/CCU for 4 years. Wanting to move back home, she took a job at St. Cloud Hospital where she became the coordinator for kidney and pancreatic transplants. There, she and a team of 5 designed and started the dialysis program in St. Cloud which became a regional hub for dialysis so patients no longer had to make the long trek to Minneapolis 3 times a week.

Diane married at 32, and had a son, Jon. Soon after, the family moved to Aberdeen, SD. After 5 years, they moved to Scotts Bluff and Gering, NE, where she worked at Scotts Bluff Orthopedics. She moved back to St. Cloud after divorcing in 2000.

At her 45th class reunion, she met Mark, a former classmate who she hadn't known in high school because the class was so large (over 800 students). She spent the last 11 years of her nursing career in Oncology, then retired in 2014.

She and Mark moved to Payson together in July 2017. They found Payson because her best friend lives here and the friend's brother is Mark's best friend. Small world! Diane found people in Payson to be friendly and helpful, and immediately felt at home here. Seeing the sign for the library out on McLane Rd., and being an avid reader, she drove in to check it out. With library card in hand, she came into the Bookstore, where the volunteer at the desk said, "We take volunteers." She has been volunteering at the Bookstore since February 2018, and this month, is going to begin volunteering at St. Vincent de Paul Food Bank. Thanks, Diane! We're glad you are here!
